EXAMINER'S AMENDMENT

An informal examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 4, line 8, after "...said mobile..." insert --,--.

Allowable Subject Matter

Claims 1, 2, 4, 5, 7-10, and 12-17 are allowed.

The following is an examiner's statement of reasons for allowance: The specific limitations of "...a second remote control unit including a button and a wireless transmitter, said second remote control unit being arranged, when said button is activated, to also send said wireless command signal to said receiver and cause said rotating member to rotate...the second remote control unit used for de-activating said kicking unit...a receiver situated in said housing for receiving wireless signals from a second remote control in order to deactivate said wireless transmitter... the first transmitter communicates with the second receiver to activate said mobile unit, and wherein the second transmitter communicates with said first receiver to activate said kicking unit..." are not anticipated or made obvious over the prior art of record in the examiner's opinion.

Art Unit: 3722

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
